

SPEEDSCAN APPOINTS LEADING DOCUMENT PROCESSING EXECUTIVE IN NEW ZEALAND

SYDNEY, AUSTRALIA - 20 November 2011: Speedscan is proud to announce the appointment of Nigel Grange as Southern Region Manager in New Zealand. Based in Wellington, Nigel will be responsible for leading business development for both the Christchurch and Wellington regions.

The newly created role forms part of Speedscan's continued strategy to expand its presence within government and Southern regions of New Zealand.

Nigel joins Speedscan with extensive experience in designing and delivering outsourced business solutions for New Zealand organisations and was responsible for establishing the first document imaging bureau in New Zealand. Speedscan CEO Mark Josman comments, "Nigel is highly respected in the industry and we are delighted to have him on board. His expertise and his ability to create partnerships will be invaluable for increasing our relationships with government and corporates in New Zealand."

Earlier this year Speedscan acquired ConnXion - an e-billing business across the Asia Pacific, and is now the largest independent and privately owned Business Process Outsourcing provider. Speedscan is focused on document intensive processes for inbound and outbound communications across Australia and New Zealand.

Nigel comments, "I am proud to be part of Speedscan's next phase of growth. The organisation has an excellent team and a strong culture. Speedscan is the leading, independent document outsourcing service provider and is

focused on providing the best service for each customer. I am committed to leading the Southern Region to increased success and continuing expansion into the government sector"
